

Change of Registrant Agreement

PLEASE REVIEW THIS AGREEMENT CAREFULLY, AS IT CONTAINS VITAL INFORMATION CONCERNING YOUR LEGAL RIGHTS AND OBLIGATIONS.

INTRODUCTION

This Domain Name Change of Registrant Agreement (the "Agreement") is established between HSJ.Host and you. It becomes effective upon your electronic acceptance. This Agreement outlines the terms and conditions of your use of HSJ.Host's Change of Registrant services (the "Services") to transfer a registered domain name from an existing or previous registrant (the "Prior Registrant") to a new registrant (the "New Registrant"). It is relevant to both the Prior Registrant and the New Registrant.

Your electronic acceptance signifies your understanding and agreement to be bound by this Agreement, and by HSJ.Host's Terms of Service, Domain Name Registration Agreement, Domain Name Transfer Agreement, and the relevant Australian Domain Name Dispute Resolution Policies, which are incorporated herein.

The terms "we", "us", or "our" refer to HSJ.Host. The terms "you", "your", or "User" refer to anyone who accepts this Agreement. No third-party rights or benefits are implied in this Agreement.

HSJ.Host, in its discretion, can modify this Agreement and any associated policies. Such modifications become effective immediately upon posting on the HSJ.Host website. Your continued use of our site or services following these changes means you accept the modified Agreement.

CHANGE OF REGISTRANT AND TRANSFER PROCESS; HSJ.Host's Role

Both the Prior Registrant and the New Registrant agree to this Agreement voluntarily. They acknowledge HSJ.Host's role as solely processing the change of registrant information and/or the transfer request. Both parties are responsible for the legality of any change of registrant information and/or domain name transfer.

Notably:

Following a change of registrant transaction, the domain may not transfer to another registrar within sixty (60) days.

Any subsequent change of registrant transaction within this period will restart the 60-day countdown.

REPRESENTATIONS AND WARRANTIES

You confirm that, on behalf of either the Prior or New Registrant, you possess the necessary authority to enter this Agreement. You represent that you are authorised to act as the Designated Agent for this purpose.

BINDING AGREEMENT

This Agreement is binding for both parties and their respective successors and assignees.
